### DESCRIPTION AND PURPOSE OF ITEM

This item identifies a Public-at-Grade railroad crossing at the route station at which it is encountered along the route direction-of-inventory.

This information is used for location purposes and to transfer information between IRIS and IRRIS.

This item is extracted, by computer, from IRRIS National Number (Item 1) based on the County, Municipality, Key Route and Key Route Station entered on IRRIS. If in question, contact the Central Bureau of Urban Program Planning.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A 7-digit alphanumeric code.

#### DO NOT ENTER.

The first six positions are an assigned number that is unique within the United States.

The last position is an alphabetic check character.

<u>Example</u>	<u>Description</u>
289 830 E	National Railroad Crossing Number assigned by railroad company with no relationship to district or county.
